

## 64341 HLX-Z/C 100-15

---

Halogen lamps, current-controlled with PK30d base

- Airfield lighting

### Product benefits

---

- Reduced operation and maintenance costs due to long life time
- Instant and constant light output over the lamp life
- Flicker-free operation
- Mercury-free

### Product features

---

- Dimmable
- Available with connector combinations A, B, C/Z on request
- Infrared radiation output that provides light in the worst of conditions

## Technical data

---

### Electrical data

Nominal voltage	15.2 V
Nominal wattage	100 W
Nominal current	6.60 A

### Light technical data

Luminous flux	2700 lm
---------------	---------

### Dimensions & weight

Diameter	13.5 mm
Length with base excl. base pins/connection	35.00 mm
Mounting length	16.0 mm
Light center length (LCL)	20.0 mm
Length	48.0 mm

Product line drawing

Base

**Lifespan**

Lifespan	1500 h
----------	--------

**Additional product data**

Base (standard designation)	PK30d
-----------------------------	-------

**Capabilities**

Burning position	s90
------------------	-----

**Country specific categorizations**

LIF	J1/79
Order reference	64341 HLX

## Safety advice

---

To prevent personal injury or damage to property, halogen lamps may only be operated in suitable luminaires designed with suitable mechanisms (protective shields, grids, etc.) to ensure that in the event of a lamp bursting no parts/shards can escape and that during operation no ultraviolet radiation can escape. There must also be a warning sign to indicate that the lamps give off high levels of heat. Detailed information is available on request.
