

Product selected: F58W/172 Activa

A range of full-spectrum high colour rendering lamps with daylight characteristics. Excellent lamps for use where colour judgement is critical.

Applications

- Where colour judgement is critical such as in the fabric, printing and graphics and painting industries
- Windowless offices and rooms, hotel and bank lobbies
- Also understood to be of therapeutic value in the treatment of Seasonal Affective Disorder or so-called "Winter Depression"

Features

- Excellent colour rendering (Ra98/Class 1A)
- Colour temperature: 6500 K
