OSRAM DECOSTAR® 35 with its clear DECO cover protects the reflector coating against dust, moisture and contact. The brilliance and mother-of-pearl effect of the faceted reflector remain unaffected.

- Complies with the strictest UV protection thresholds (erythema, NIOSH).
- Flat clear cover glass so the lamps can be used in open luminaires to IEC 60598.
- Dichroic reflector reduces the heat in the light beam by 66%.
- Colour temperature approx. 3000 K.

The UV FILTER quartz protects against harmful UV radiation.
